OF MATHEMATICS
AND PHYSICS
Charles University

MASTER THESIS

Bc. Kamil Belán

Numerical methods for the simulation of air flow past a mountain

Mathematical Institute

Supervisor of the Thesis doc. RNDr. Michal Pavelka, Ph.D.

Study Programme Mathematical and Computational Modelling in Physics

Prague 2025
(Draft - December 18, 2025)

Declaration of Authorship

I declare that I carried out this master thesis on my own, and only with the cited sources, literature and other professional sources. I understand that my work relates to the rights and obligations under the Act No. 121/2000 Sb., the Copyright Act, as amended, in particular the fact that the Charles University has the right to conclude a license agreement on the use of this work as a school work pursuant to Section 60 subsection 1 of the Copyright Act.
